

Greetings WWGC members.

We're building the "advance list" before setting up the May Hunter Education Course. We'll need you to email us at: hunter_educ_wwgc@yahoo.com with the following particulars so we can serve you better. Please know in advance that we already have 20 holdovers from the previous course who are on the waiting list and that our roster accommodates 35 attendees. We will do our best to see that your replies get added to that waiting list in order received by the date-time stamp on your email reply.

Your Hunter Education Course Chief Instructor and your Course Director

Please submit your info in the following format:

LASTNAME, Firstname MI.

999 Street Address Ave. (no PO boxes please)

City, ST ZIP

BEST PHONE to reach you for very timely followup information (Please note, my calls to you will come up as a restricted number, and I'll need you to release your caller i.d. block. If I can't reach you in a timely manner, I'll automatically assume to go to the next name on the list.)

your email address (please use your personal address as we have had terrible trouble with "agency or workplace" email servers routing our notes into spam or junk folders.

STOGGLIED, Charles Q.

999 Imaginary St.

Mytown, WA 99xyz

509-555-1212

emailingstuff@chewgum.com

If your attendee is under 18 on the first night of the course, we'll need additional forms on the first night of class. If your attendee is a "special needs" student, we need to know as soon as you can tell us so that we can try to make arrangements for their accommodation.

Classes will be: Tues., Weds. & Thurs. for two weeks (May 6, 7, 8 and 13, 14, 15 from 6:30-9 pm and Saturday May 17 from 8:30 a.m.- 1 p.m. Every session must start on time and we are unable to support exemptions, makeups and do-overs as we have a tightly packed schedule. We appreciate the great diversity of young peoples' activities, however, we are bound to a state-specified course content and so we cannot be responsible for competing activities like track practice, volleyball, band, etc. If your student is having schedule conflicts, we'll be happy to place them on a waiting list for a fall course (however we DO NOT have those dates anywhere on our radar yet.)

We're looking forward to hearing from you soon.
